6.5

Lipp's ice creams and sorbets have subtlety, consistency and rarity which make them come close to perfection. The production of small quantities using the traditional methods of the confectionery craft is an essential criterion for the production of natural products. They do not contain any chemical additives.

Piazza
Genuss + Kultur

Romina Ettisberger is the host and manages the Piazza in the heart of Baden.

Her second passion is singing and so it happens, that sometimes she takes the microphone and sings her favorite songs.

From October to March Piazza offers a lot of events with lovely food and live music.

Romina is host, businesswoman and loves to organize culture events. Her boyfriend Christoph Zillig supports her in daily business and is responsible for the kitchen.

ARE YOU PLANNING A PARTY? WE'VE GOT THE LOCATION!

Whether a cozy barbecue in the garden, a wedding aperitif in the lounge, or a business lunch at the restaurant – we are flexible! You can also rent the Piazza exclusively for your private event.

The unique location in the heart of the city of Baden provides enough parking spaces and is only a few minutes from the railway station.

With many years of experience in the event and banquet industry, we would be happy to present our services to you in a personal conversation and send you an individually tailored offer afterwards.
